You will find marked on the ground plan.

**The companys
DÜCHTING PUMPEN & SICcast
wish you a safe and successful visit.**

BEHAVIOUR IN CASE OF AN ACCIDENT

Next to each hall telephon there is a "Notfall-plan" with emergency numbers on it.

1. Call the emergency services

Emergency number **(0)112**

WHAT happened?

WHERE did it happen?

HOW MANY injured people?

WHAT kind of injury?

WAIT for further questions

2. First aid

Make the scene of the accident safe, help the injured people

3. Further actions

Follow the instructions of the emergency personnel and provide them with any relevant information.

BEHAVIOUR IN CASE OF FIRE

1. Report fire

Emergency number **(0)112**

WHO is calling?

WHERE did it happen?

WHAT happened?

2. Seek safety

Take vulnerable people with you, close doors and windows. Take the marked escape routes and proceed to the assembly point.

3. Put out the fire

If safe to do so attempt to put out the fire, never endanger yourself or others while attempting to tackle the fire.
